Glen Iris Primary School families are invited to celebrate “Education Week - 2012” by joining in our Family Science Night

When: Monday 21st May
Time: 6.00pm – 7.00 pm
Where: Classrooms

What’s On:

Join the Preps and their families in rooms 7 & 8 (downstairs) to explore exciting science topics such as magnets, colour wheels, force, static electricity and shadows.

The Year 1 and 2 children and their families are invited to visit the Year 2 classrooms to share and discover interesting facts about our biological science unit ‘Feathers, Fur, Skin and Scales’. You will sort, classify, investigate, make and research information about Australian Animals including their species, body coverings, habitat, predators and other interesting information. So, come along, share your knowledge and have some fun!

You’ll find all the Year 4s with their families in the infill area outside rooms 17 & 18 and the Year 3s and their families in the infill outside 13 & 14. Grade 4s will be investigating ‘Solids, Liquids and Gases’ (Chemical Science) while Grade 3s will be investigating ‘Flight and Movement’ (Physical Science).

All the Year 5 & 6 students will invite their families into Room 3 to explore Natural Disasters, Extreme Environment and Sustainability (Environmental Science).
