Dear Parents

During Term 4, students in Year 5/6 will be participating in a Sex Education Program as part of our Grade 5/6 AusVELS Health Program. As part of this series of lessons, the educators from Sex Education Australia will be holding a parent information session on Tuesday 29 October, outlining what will be covered and include tips for talking to your child.

SEA believes that parents and caregivers are vital partners in the sexuality education of their children, and are committed to working together with parents to provide sensitive, age-appropriate sex education.

It is highly recommended that all families attend this information session to assist you when talking to your child about sex education and the questions raised throughout this program.

The information session is for parents and caregivers only, no children, and the proposed cost is $10 per family. Please indicate your attendance by returning the slip below by Friday 18 October.

Please note that this is only an expression of interest and we will send out a note of confirmation at the beginning of Term 4, payment can then be made at this time to the office or on the night.

Many Thanks

Melissa Costa, Amy Kopciewicz, Danniel Smith, Nikki Szwarcbard and Kate Wipfli
