Dear Parents,

We will be requiring some assistance to look after our chickens and worm farms over the holiday break. We are looking for families to volunteer to look after them for one week each.

The Worm farms and Salt and Pepper are very low maintenance and you will receive a care guide. The Worm farms will need any food scraps that your family produces for the week. Salt and Pepper need to have their food and water checked, coop cleaned and let out for short periods of time every couple of days.

Please fill out the form below and return it to the office no later than Monday 16th December.

Thank you,
Natasha Williams (PE Coordinator)

We are willing to help look after the worm farms and chickens over the holiday break.
