Dear Parents,

In Term 4, Glen Iris Primary School will be hosting some lunchtime programs that may interest your children. These programs will be conducted by external providers in our facilities. These programs are offered as a service to our school community and an opportunity for children. There is no financial gain for the school. In 2013, we will offer a Taekwondo Program and a Grade 3 and 4 Dance Program.

On the other side of this page is a flyer outlining a program offered by choreographer, Kate Stanford, with a return slip if you wish to express interest in the program.

Some additional information you may find useful:

- The sessions will be conducted on Thursdays commencing on Thursday, October 17th.
- Interested families should complete the Expression of Interest form and return it to the school office. **No payment is required at this stage. Payment will be made directly to the teacher.**
- As places are limited, inclusion in the program will be determined on a “first in, first served” basis.
- Teachers will provide reminders for children to attend classes; however, it will be the child’s responsibility to arrive at the venue at the correct time.
- The sessions will be conducted and supervised by choreographer, Kate Stanford.

Further information regarding the program is available from Kate Stanford on ph: 0417 545 024 or kate.danceclub@gmail.com.

Yours Sincerely

Meredith Carracher

Principal
A brand new Dance Club is starting at Glen Iris Primary School.

The sessions will be held on Thursday lunchtimes for all interested pupils in years 3 and 4.

The classes are designed to suit a wide range of abilities and styled appropriately for the age of its members.

After a funky warm-up the children will learn the steps to a choreographed dance in the genre of Jazz / Musical Theatre, culminating in an optional performance in assembly.

Numbers are limited to the first 20 children.

No previous experience is required.

There are no auditions, competitions or exams.

The children dance purely for fun.

The informality of the class gives the children an opportunity to ‘have a go’ and experience the art of Dance in a fun, friendly and familiar environment.
