Dear Parents,

On Tuesday 25th June, the Grade 5/6 students will be participating in ‘A Day on the Diggings’ as a conclusion to our topic about the Gold Rush. The purpose of the day is to recreate what life was like for people living on the gold fields.

Each student will be asked to come to school dressed up as their assigned character. They can stay in their costume for the whole day.

Some food may be served so please ask your child to remind your classroom teacher of any food allergies. Students will still be required to bring a full snack and lunch on the day.

Sincerely,

Melissa Costa, Amy Kopciewicz, Nikki Szwarcbard, Danniell Smith and Kate Wipfli

My Character: ___________________________________________________________________
