The school concert is coming soon! Our concerts GIPS DISNEY THROUGH THE AGES will be in the second week of Term 4, so we thought it would be a good opportunity for students and parents to start preparing their simple costumes.

**Preps:** You will need plain black tops and black pants or footless leggings. Boys and girls will be wearing a monkey bonnet and a tail so you don't need to worry about doing anything fancy with their hair. If your daughter has long hair it would be good to have it tied up in a ponytail.

This year we will not be having face painting available for the children. If you would like your child to wear some basic stage make up i.e. lipstick, blush or mascara it will need to be applied at home, before the concert.

- If you have any questions please ask your teacher

**Grade 1s:** Boys you will need plain white tops and grey school shorts. Girls you will need white tops and black footless leggings! We'd like the handsome boys to have your hair slicked back or in a comb over. Girls, please have a hairstyle that will work with a headband as you will be wearing one as part of your costume on the night.
