“Confident Parenting” Night - Monday 25 October

The “Building Confident Kids Program” targets student in the middle years of primary school, as they move through a developmental phase, and is aimed at providing timely support to establish positive self awareness and confidence which encourages resilience throughout their life. It is designed to promote connectedness with their peers, families and school community. Camcare has developed this program in many primary schools with very positive results and feedback.

Camcare will facilitate a complementary parent program, “Confident Parenting” on Monday 25 October from 7.00pm - 8.30pm at school. **GIPS invites all parents.** This session is designed to promote a collaborative approach between school and home to student well being. To assist us with the planning of the evening, please complete the section below and return it to your child’s teacher by Friday 22 October.
