GLEN IRIS PRIMARY SCHOOL
ThinkUKnow Internet Safety Session

CYBERSAFETY – GIPS Parent Information Evening

Join Michael Garrett, Australian Federal Police, Canberra
Tuesday 17 August
7:00pm in the library

This presentation is relevant to all parents of children in years Prep-6 and over fifty families attended the presentation last year. We’d encourage you to join us for another up-to-date information and advice session.

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia.

Our school will be hosting a ThinkUKnow presentation on Tuesday 17 August and all parents, carers and teachers are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security.

This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.

For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au.

We look forward to seeing you at the presentation.
(Please return the slip below if you wish to attend the evening.)
