Fresh Eggs for Sale!

In order to look after Salt and Pepper we need to buy straw and feed.

As a way to help fund this Glen Iris Primary will now sell their eggs to anyone who would like fresh free range eggs. They are delicious and very good to cook with.

We are expecting that quite a few families will be willing to purchase these eggs so we are asking that families fill out the return slip below and return it to your class teacher.

Every Monday at assembly a name will be drawn out of a hat and that lucky family will have all of the eggs that have been laid for that week. Egg numbers range from 3-6 a week, depending on the season. We ask that selected families then collect their eggs and pay $3 to the office.

Weekend care for Salt and Pepper

There has also been a weekend roster system set up to help look after Salt and Pepper on weekends. If you are willing to come to school and let them out for a short period of time please sign up on the roster. The roster and care instructions can be found on the downstairs maroon pin board near Prep H and the IW stairs.

Thank you,

Natasha Williams

The _______ family would like to be included in the weekly Egg-citing draw. We understand that if our name is drawn out of the hat we need to pay $3 for the eggs laid for the previous week.
