BOROONDARA JUNIOR SYMPHONY ORCHESTRA – EXPRESSION OF INTEREST

Glen Iris is part of the Boroondara Network of Schools. There has been discussion about the creation of a Boroondara Junior Symphony Orchestra, which would draw musicians from our primary schools. Many of our primary schools do not have the numbers to form their own orchestra. The BJSO might perform at EMR events and functions for member schools. BJSO would include students who learn musical instruments at school or outside the school setting. It would be in school hours and would occur on a day that best suits everyone. This is an expression of interest ONLY. We need to send an expression of interest with the numbers of students who MAY like to be involved by July 25th.

This is not a commitment to join as days and times have not been decided. It is only an expression of interest.
