The Enrichment Program is an innovative program facilitated by our teachers to foster talent identified during classroom activities and specialist classes.

Enrichment aims to give students the opportunity to pursue a learning activity or skill covered within the curriculum more deeply and broadly and using a higher level of thinking in a specific area.

The programs vary from 4 weeks to a full term and are held on Friday afternoons for a 50 minute session.

Selected Year 4 students will develop their understanding of the French language and francophone culture. In pairs, students will research a francophone country and will create a travel brochure or poster highlighting the history, culture, traditions and attractions of that country, to be presented at a “travel show”.

Dear Parents,

Your child .......................... has been invited to participate in the Term 1 French Enrichment Program. The program is organised on Fridays from 2.40-3.30. If you have further queries please don’t hesitate to speak to Carolyn Garneau.

Kind regards,

Carolyn Garneau
LOTE Coordinator
