Thank you for expressing interest in the Friends of the Library (FOTL).
We had some very good suggestions, and practical offers to help develop our collection.
We also selected some new titles to add to our stock from a range of fiction and picture-story books supplied by a bookseller.

**Monday seemed to suit many, so starting next week (21.05.12) we will meet again in the library at 9AM and begin the “hands on” process.**
*(This is a good time, as the library is not timetabled for classes.)*

I will demonstrate the steps in cataloguing.
  - (CATALOGUERS)
Following that we will stamp and assign call numbers.
  - (PROCESSORS)
Then we will start on the pile of covering that needs to be tackled.
  - (COVERERS) This can be done at home too.
We will also have a look at the arrangement of the stock.
Each day there is a pile of books that have been returned and need to be put away. *If you arrive a few minutes before the end of the school day, this is a suitable task for this time of day too.*
  - (SHELVERS) *
Sometimes we find books that are a little worse for wear. So it is off to the mending box.
  - (MENDERS)

If Monday does not suit, I am here on Wednesday morning as well.
I look forward to seeing you at one of these times.

Kay Borrow
