Dear Parents,

The Year 4 Camp is coming around very quickly and it is now time to start organising the children’s equipment and clothing. On the back of this notice is a list of clothing and items that your child requires for the three days at camp. We recommend that your child helps you to pack their bag so that they are familiar with their belongings that they will need to be responsible for at camp. Please ensure all items, clothing and equipment, are named.

In addition, we would like to remind you that the final payment for the camp is due on Monday 27th August.

In the week prior to camp we will send home another notice outlining the final arrangements for our departure day in regard to the meeting point, luggage drop off and handing over medication to the teacher in charge of first aid and so forth.

If you have any concerns about the payment or arrangements for the camp, please contact your child’s teacher or Meredith Carracher as soon as possible.

Yours sincerely,

Meagan Cofield, Karen Glasscock and Rachel Pitson
Year 4 Teachers
