2009 GYMNASTICS PROGRAM
2nd December 2009

Dear Parents,

We are running our Gymnastics program in the last two weeks of this year. All children in grades 1 to 4 will participate in this compulsory program. The sessions will take place during the timetabled Phys Ed lessons with Mr Cavell and run for approximately 50 minutes in the hall or multi-purpose room.

Gymnastics is an integral part of the Physical Education program. We use instructors with expertise and they also provide equipment that our school cannot supply. We use instructors from the School Gymnastics organisation. Safety in Gymnastics is a major emphasis during these sessions.

It is important that the children are dressed appropriately for these sessions. They will be removing their shoes and socks as it is safer to participate in bare feet. Girls will need to tie up their hair and wear tracksuit pants or shorts. Dresses (even with bike shorts underneath) are not allowed. Tights are also not appropriate. To help you prepare you might need to ask your child what day they have Phys Ed, or consult the classroom teacher or myself.

The cost for the program is $15.00 per head. This cost is covered in the excursion levy. If you have not paid the levy, please send the money next week. Please return the form below as soon as possible.

If you have any queries please see me.
Andrew Cavell
