Dear Parents and Students,

It's that time of the year again when we all start looking for our scarves and winter woollies. I am looking for expressions of interest to see if any students from Grade 3-6 would be interested in learning how to knit or crochet.

This program will run over lunchtime and will be designed for students to learn and practise on their basic knitting/crocheting skills. Each child will be required to bring their own knitting needles/crocheting hook and wool. The goal will be to knit/crochet a scarf following a basic pattern. If you have any questions about the program please feel free to come and talk to me.

We are also looking for some adults to come in and help teach the children. If you are able to commit to either Monday or Thursday lunchtimes please fill out your details below and which day you would prefer. We are also more than happy for grandparents to come along to assist. If so, please fill out their details below and return it to the school ASAP.

It is a requirement that when assisting at the school all adults must have a Working with Childrens Check. Please ensure that if you are volunteering you have shown your Check to the Office.

Thank you,
Natasha Williams
(PE Co-ordinator)

Expression of Interest

______________________________ (Name) ________ (Class) would be interested in joining the 2013 Knitters club.

I __________________ (Name), would be available to help teach knitting/crocheting.

Preferred day: ____________________
