Dear Parents,

Due to the swimming program and the forthcoming Grade 3 and 4 camps, events for the Fairytale Literacy Week planned for next week, cannot go ahead. The Fairytale Assembly planned for Monday has been postponed until **Monday 10 September**.

During the week beginning 10 September we will be promoting Literacy Week in our classrooms and every student will be involved in our Fairytale Galaxy Session that is the last Galaxy session for the term. I also look forward to visiting different classrooms to read my favourite fairytales.

Parents are encouraged to read their favourite fairytale to their children, in the lead up to Literacy Week.

We apologise for any inconvenience this change may have caused.

Regards,
Robyn Floyd
(Acting Principal)
