‘MEET THE TEACHER’ - PARENT/TEACHER DISCUSSIONS
Monday 5th and Wednesday 7th March, 2012

Dear Parents,

As part of the GIPS reporting process this year, class teachers will be conducting ‘Meet the Teacher’ Parent/Teacher discussions on the afternoon and evening of Monday 5th and Wednesday 7th March. These discussions provide a wonderful opportunity for you to tell the class teacher anything about your child that may be relevant to their learning this year, and for you and the teacher to discuss your child’s educational needs early on in the school year.

Prior to the discussion, we would like you to spend a little time to complete the form, “Observations by Parents – February, 2012”, (sent home today) for each child in the family who is at GIPS. Please return the form to the class teachers by Wednesday 29th February to enable them to prepare for the discussion.

Once again this year we will be using the Schools Interview Online Booking Service for the scheduling of appointments. Information on how and when to book appointments online will be sent home with the eldest child next Wednesday.

Yours sincerely,
