Dear Parents,

As part of our inquiry into “Solids, Liquids and Gases” we have arranged for the Year 3 and 4 students to participate in a program run by teachers from the Monash Science Centre.

The sessions will be held at school on the 8th and 9th of March.

Students will be completing a range of hands-on investigations to extend their understanding of the properties of solids, liquids and gases and changes in states of matter.

The cost of the program is $10 per student. If you have paid the Excursion Levy, no payment is required.

Please complete the attached permission form and return it to your child’s teacher by Friday 2nd March.

Yours sincerely,

Meagan Cofield, Karen Glasscock, Rachel Pitson, Barb Maclarn, Megan Neal and Nikki Peipert

Year 3 and 4 teachers
