In preparation for the new building project we need to move the library to the infills and 4V into the library.

This grand reshuffle will take place on:

**19 June from 1:00pm onwards**

Moving the library involves packing books, moving shelves, moving books, then unpacking books.

Moving 4V involves moving classroom furniture and contents of classroom cupboards.

*Your help would be greatly appreciated.*

RSVP to the school office or to barbara.mckinnon@bigpond.com. If you can only make part of the afternoon, that would still be helpful.

******************************************************************************

MOVING BEE @ GIPS SATURDAY 19 JUNE from 1.00pm

Yes, I am a keen removalist and can help.
