Hello, I am Mrs Lane and I am 70 years old.

I came to G.I.P.S when I was a teacher when I started teaching at G.I.P.S. I was 38.

I taught year 5s and 6s.

The games that my children played were kick the can and the girls played skipping.

When my daughter went to school she had to carrying her satchel and when she was tired she sat on her satchel.

My first class was year 3 and they didn’t wear a uniform.

When children from other countries came to G.I.P.S, they taught us how to make some recipe sand we made an International Recipe book.
