**Parent Information Session on Semester One 2013 Student Report Card**

Dear Parents,

With the introduction of the AusVELS, the Australian Curriculum in Victoria, the 2013 Semester One Student Report card has been modified to reflect the curriculum implemented this semester and the areas assessed against AusVELS at each year level.

Information for parents on the modified Student Report Card will be sent home with your child’s report next week.

To further assist you in understanding the new Semester One Report Card, a short information session for parents will be held next Tuesday 25th June, 9.00am – 9.30am in the Multi-Purpose Room. At this session we will outline the modifications made to the Student Report in regard to the reporting of student’s progress against the new eleven level scale of AusVELS.

Please complete the section below and return it to school by next Monday if you are planning to attend the information session.

Yours sincerely,

Barbara Maclarn and Emily Burgess
Assessment and Reporting Coordinators
