Job vacancy

The crew is all ready, but someone is needed to take the helm.

Parents’ Association is a vital part of our school community. It not only raises much needed funding for extra equipment and resources for our kids, but provides them with special lunches, icy pole days and the like.

The Association relies solely on parents and their generous gift of time to achieve great results in the things they organise.

2012

PA needs a President to put up their hand to chair meetings, liaise with Ms Carracher and the office, and generally oversee the wonderful work of the crew.

Rewards of the role include the making of many new friends within the school community, getting to know teachers and staff of your kids a whole lot more, having a say in the way Parent’s Association is run, and the satisfaction of knowing you have made a real difference to your child’s school.
