2012 – A Year of Review at Glen Iris Primary School

Dear Parents,

The School Council invites you, as members of the school community, to participate in a School Improvement Workshop to inform the future direction of our school. The focus areas for the School Review are:

1. Student Learning
2. Student Wellbeing and Engagement
3. Student Pathways and Transitions

The workshop will be focused, specific and explicit. Small group discussions will be facilitated by school councillors and will relate to specific topics generated with the group who attend the workshop.

If you are unable to attend the workshop but would still like to contribute to this discussion, the following opportunities are available:

- Online survey attached to the school website available later in March.
- Possible lunchtime workshop in the Melbourne CBD if sufficient interest. Please indicate your interest below.

A video outline of the School Review process produced by the students is available on the school website.

We are keen to engage with the school community to reflect and plan for our school’s future.

Yours Sincerely

Jack Risos  . School Council President
Meredith Carracher  . Principal
