YEAR 3
MONASH SCIENCE CENTRE PROGRAM
FRIDAY 15TH MARCH

Dear Parents/Guardians,

As part of our inquiry unit ‘Matter, Matter Everywhere – Solids, Liquids and Gases’ we have arranged for the Year 3 students to participate in a program run by teachers from the Monash Science Centre.

The sessions will be held at school on Friday 15th March between 9.00am and 12.20pm.

Students will be completing a range of hands-on investigations to extend their understanding of the properties of solids, liquids and gases and changes in states of matter.

The cost of the program is $10.50 per student. If you have paid the Excursion Levy, no payment is required.

Please complete the attached permission form and return it to your child’s teacher by Friday 8th March.

Yours sincerely,

Christine Hallam, Meg Neal and Barbara Maclarn.
