

Dear Parents,

5/11/09

On Monday 23 November 2009, all students will be attending a session of the highly recommended performance, **The Human Race**, presented by Brainstorm Productions

“**The Human Race** challenges children to find out what qualities we need to create positive relationships at school, in the community and ultimately as citizens of the world. It gives simple strategies for building skills in conflict resolution, problem solving, assertiveness and having empathy for others.’

This performance forms part of the Interpersonal Development curriculum at GIPS in 2009. All children are expected to attend.

The cost of the performance is \$4.50 which is covered by the excursion levy.

Please fill out the form below and return it to school by **Wednesday, 19 November**. If you have not paid the excursion levy, please include payment with the form.
