Dear Parents

On Tuesday 15th December Year 5 students will participate in the annual Leadership Day and End-of-Year Party with Nikki Szwarcbard, Meredith Carracher and Robyn Floyd. The focus of the day is to build on the 2015 Leadership Program and enable students to meet and begin to work in their new Student Action Leadership Teams (S.A.L.T) using STEM activities.

The students will be having a special end-of-year lunch of chips and potato cakes. There is no cost. Students will still need to bring a snack for recess and any food needed to supplement their lunch if they like a huge lunch. Students need to bring a plate or large plastic bowl from home which will be taken home as part of our sustainability program.

We need a couple of parents to help order and collect the chips at 12.00 and distribute the chips from the canteen.

Kind regards

Robyn Floyd

Glen Iris Primary School is a nut aware school

To assist with quantities:

My child would like to
1 □  2 □ potato cakes
□ chips

I can help with
□ collecting chips
□ Serving
