Dear Grade 6 parents,

The end of the year is approaching and Graduation is not too far away. Part of the Graduation tradition is for every Grade 6 student to create a poster. This will take place at school. The posters are displayed on Graduation night for families and students to enjoy. The posters are then taken home by the students as a memento of their time at GIPS.

Each poster is made up of the student’s name, year, photos, a questionnaire, GIPS logo, photo of the school and any extra decorations.

To ensure every child has a poster, we need the following from you by **WEDNESDAY, 12th NOVEMBER:**

1. Copy of Prep photo of your child, 10x15cm
2. Copy of Grade 6 photo of your child, 10x15cm

Please deliver the photos to your class teacher by the above date with your child’s name on the back.

These photos will be mounted on the poster permanently, so they will not be returned as a photo. If you do not want your original photo mounted on the poster, Office Works can create an excellent scanned copy to use.

Thank you. If you have any questions, please don’t hesitate to contact me.

Kind regards,

Penny Ashby
