

2019 Grade 6 Graduation Wear

IMPORTANT: This concerns all Grade 5 students in 2018

The process has changed from previous years

PLEASE READ CAREFULLY!

At GIPS, all Grade 6 students are given the opportunity to have a special graduation uniform with the names of all the students in their year level printed on the back of their **bomber jackets** and/or **polo tops**.

We recommend buying new, larger items to be printed on. However, printing can also be done on existing garments if they will be large enough for next year and are in good condition (poor condition may result in a poor-quality print).

To guarantee a sufficient supply of the new jackets and polo tops to be purchased for printing, this process must begin very soon. PSW has requested that GIPS send a BULK ORDER for the new jackets and polo tops required. This will enable PSW to undertake the task of printing on the new and existing garments smoothly and swiftly to be ready for the start of the 2019 school year.

Prices for the various options are shown below:

NEW Garments (printing included):	Price (incl. GST)
• Bomber Jacket with contrast sleeve	\$49.50
• Short sleeved polo	\$32.50
• Long sleeved polo	\$34.00
PRINTING ONLY on each existing garment:	\$12.00

You may choose to do both (i.e. purchase some new garments and print onto some used garments)

The process is as follows:

1. Please now consider whether you wish to purchase printed garments and, if so, decide how many new items are required and how many existing items are to undergo printing.
2. Ordering and payment for BOTH the new garments and the printing of the existing garments can be made now via the TryBooking website (<https://www.trybooking.com/YSZO>). ***This is the strongly preferred option as it reduces the risk of errors and vastly simplifies the process for all involved.*** If this is not possible for you please contact the school office to discuss other payment options.

3. All orders and payments are due by Thursday 1st November 2018.

WE STRONGLY RECOMMEND YOU KEEP A RECORD OF WHAT YOU HAVE ORDERED AND PAID FOR BECAUSE....

4. If you have requested printing onto **existing** garments, you will need to deliver these, **freshly laundered and labelled** to the school classrooms **by Thursday 13th December**. These will be collected from school on **FRIDAY 14TH DECEMBER** by PSW and taken to be printed. Unlike previous years, there will be no need for you to collect, label and return new garments.
5. The printed garments (new and existing) should arrive back at school in the first week of Term 1, 2019, for the students to collect and proudly wear.

If you are NOT purchasing any printed graduation clothing, please email me or the office so we know your family is accounted for. We would also encourage any families planning lengthy absences from school to let us know so they are not accidentally omitted from the lists. Any parents with queries or concerns please contact us.
