Dear Parents and Students,

The students are invited to work with Richard Galbraith, an artist, author and illustrator, in an interactive cartoon workshop. The aim is to give students the tools and confidence to overcome the "I can't draw" hurdle and have fun, no matter what their ability.

The students learn simple cartooning techniques by drawing characters with a range of moods and expressions. They also learn how to create their own characters, by starting off with simple shapes and building the cartoon step by step. He covers shapes, character creation, expression, speech bubbles and action.

The total cost for the incursion is $15.00
Please return this form by Friday Nov 28th

Parents, if you would like to join in the activities please come and see me in the Art room.

Many thanks,

Michele Freeland-Small
