## Your Children and Technology - Because Apps

Music.ly, Instagram, Snapchat... Do you know what apps your children are using at home? Claire Sutherland has surveyed the GIPS student body and has the inside information on how your kids are actually using technology, what is currently trending, trouble signs to watch out for, and how to approach these issues with your child.

Claire Sutherland has just submitted her PhD on "Understanding Cyberbullying in Australian Schools". Don't miss the chance to benefit from her specialised knowledge and understanding before she leaves GIPS to take up a role in this specific area.

**Thursday 30 March      9.15am - 10.15am**

Venue at GIPS to be announced.

RSVP: GIPS Office 9885 3624      or

[glen.iris.ps@edumail.vic.gov.au](mailto:glen.iris.ps@edumail.vic.gov.au)

or through the GIPS Calendar page on the website
