GIRLS SOFTBALL TRAINING SESSIONS

17th September 2015

Dear Parents,

We are holding training sessions at school for the Girls Softball team. This is to give the children a chance to play and train together before the event as a team. These training sessions are not compulsory, however would be highly beneficial for students. Students can bring their gloves with them if they have one but make sure it is named. Below are the times that each training session will be held. Please note, that if it is raining, the training session will be cancelled.
