YEAR 3
HANDS-ON SCIENCE
INCURSION
MONDAY 16TH FEBRUARY 2015

Dear Parents/Guardians,

As part of our inquiry unit ‘Matter, Matter Everywhere – Solids, Liquids and Gases’ we have arranged for the Year 3 students to participate in a program run by scientists from the Hands on Science Education Program.

The sessions will be held at school on Monday 16th February between 9.00am and 3.20pm.

Students will be completing a range of hands-on investigations to extend their understanding of the properties of solids, liquids and gases and changes in states of matter.

The cost of the program is $13.00 per student. If you have paid the Excursion Levy, no payment is required.

Please complete the attached permission form and return it to your child’s teacher by Wednesday 11th February.

Yours sincerely,

Tanya Tomic, Mary-Anne Jansen and Rebecca Givogue
Year 3 teachers
