PERFORMING ARTS – GRADE 3

16 July 2015

Dear parents and students,

This term is MUSIC in Performing Arts! I am excited to be bringing an exciting music program across grades 3 – 6.

In line with AUSVELS National Curriculum, students will be learning to write and read music beginning with simple rhythm and beat - stomping, clapping, clicking. To further develop this skill, students will be learning to play the recorder, reading the music and notes on a staff. This term, we are also lucky enough to be learning some “old” songs in celebration of our 150th!

Students will be given a recorder on loan for the duration of the term. These recorders will be the students’ responsibility and they will need to be returned at the end of term. Names and recorder numbers will be registered to keep track.

It will be wonderful for you to encourage your children to practise at home and enjoy the instrument!

Thank you,

Nikki Szwarcbard
Performing Arts Teacher

PERFORMING ARTS – GRADE 3

To be returned to Mrs. Szwarcbard before Thursday 23rd July

I agree to take responsibility for my recorder, keeping it safe and clean for the term. Should the recorder not be returned at the end of the term in the same condition, I agree to pay $17 to replace the instrument.
