

Sleepover and Games Night

WE NEED YOUR HELP!

Wednesday 13th September 2017

Dear Grade 1 Parents,

Our annual Sleepover and Games Night is coming up in Term 4. As the 2017 school year is flying by, it will be here before we know it! Preparations are well underway, with the big event to be held on Friday the 27th of October.

Along with the Prep Breakfast and School Camps for children in Grades 3 to 6, the Sleepover and Games Night is a part of the School Camping Program. This event sees children in Grades 1 and 2 participate in an evening of games followed by dinner at school. The Grade 1s depart at 7.30pm, while the Grade 2s remain at school for a sleepover in the hall and a real school camp experience.

To assist with the smooth running of this evening, we are asking for a number of parent volunteers to assist with dinner preparations and cleaning up. If you are able to assist between 5.30-7.30pm, please indicate your offer of assistance on the form below and return to your child's class teacher by Wednesday the 11th of October. Your child's class teacher will contact you early in Term 4 if we require your assistance for this event.

Kind regards,

The Grade One and Two Team
