Grade 3 Performances

Dear parent,

To celebrate the hard work your children have completed this semester learning to play the recorder, we would like to invite you to see and hear the students perform!

3TJ will perform on **Friday 20th November** at the school assembly beginning at 2:50pm.

3J and 3G will perform together at the final assembly, **Friday 18th December** beginning at 12:30pm.

Recorder is a very challenging instrument to learn and the students have worked remarkably hard, it would be great, whether or not you are able to attend the performances, to acknowledge their efforts.

Looking forward to seeing you all there!
