# WRITER'S NOTEBOOK

Dear Grade 3 Parents,

The children are eager to get started once again with the Writer's Notebook/Choice Writing program. To assist with this process, we have a task we would like the Grade 3s to complete at home.

We know that inspiration for our writing comes from all kinds of places. For this reason, the children will create a 'Writer's Notebook' filled with ideas to help inspire their writing and help organise their writing ideas. Throughout the year, children will be adding different 'themed' pages to their notebook. To get the year started, we would like all children to create an 'All About Me' page.

A scrapbook is going home with your child today. Children are asked to complete a double page spread on the topic 'All About Me'. Children may like to include photographs, pictures from catalogues, footy cards, drawings and writing. We encourage the children to be creative in the way they present their work.

Children will have the opportunity to share their Writer's Notebook with their classmates next Friday, 17<sup>th</sup> February.

The grade 3s have had the opportunity to discuss the task and see examples in the classroom. Should there be any further questions, please see your child's class teacher.

Kind regards,

Claire Sutherland and Meagan Cofield
