100th Day of School

Dear Parents/Guardians,

Next Wednesday it is our 100th day of school. We are seeking more help for the grandparents morning tea.

We currently only have two parent helpers but we would like four more to assist with setting up and serving of the tea and coffee.

We would like your assistance from 9:30am – 11:00am.

We are also looking for some baked goods to serve to the grandparents. If you could bring a plate that would be greatly appreciated.

This is a community event and something that is very special to the children. We would greatly appreciate your help.
