Glen Iris Primary School will be celebrating ‘Green Day’ this Friday. On this Day we aim to raise environmental awareness throughout the school community.

Here are some of the activities that will be taking place:

- **Recycling of unwanted IT material.** We encourage families to bring in any old IT material or mobile phones. Please bring them to school between 8 am and 9 am and drop off at the coloured squares next to class 2C. These will be safely recycled by EcoActiv and Mobile Musters.

- **We will also be selling reusable drink bottles for $7 and unveiling our new bubbler tap on the oval.**

- **On this day your child will also have a mini lesson on how to re-use, reduce and recycle and assist in cleaning up the school - this will be run by the 5/6 Waste Busters SALT team.**

- **Each class is also asked to have a Nude Food lunch (minimal packaging).**

- **Students are also encouraged to wear a touch of green or blue on the day!**

Thank you for your support
