

GUITAR LESSONS AT G.I.P.S. 2017

Guitar lessons are available at G.I.P.S. during school hours.
They are individual lessons of half hour duration.

Students have fun learning to read music notation, developing correct technique, playing melodies, strumming chords, building repertoire, composing, etc...

COST

The cost of each lesson is \$37.
An invoice will be sent home via the student at the commencement of each term.

If a student is unable to attend a lesson due to a school activity or camp etc., a minimum of one week's written notice (or sms to Vince 0402 528 987) must be given to Vince via the GIPS office to avoid a lesson fee.

If a student is absent due to illness, Vince must be notified via sms before 8.30am and all possible attempts are made to make up for the missed lesson later in that term.
The guitar timetable can sometimes be altered to accommodate the student's availability for a lesson.

WHAT TO BRING TO LESSONS

1. Guitar
2. Guitar method book (the accompanying C.D./DVD should stay at home). Get details from Vince.
3. A4 Display Book (used for extra lesson material)
4. An exercise book (used for parent/teacher/student communication)
5. Pick (Fender medium or equivalent)

PRACTICE

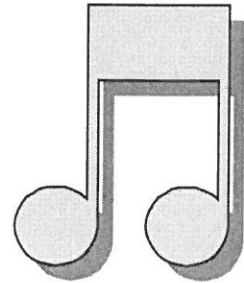

Needless to say regular practice is essential for a good rate of progress, and a good rate of progress is an important factor to enjoying the learning of any instrument. Parents can be very helpful by encouraging practice each day and giving praise and recognition for time and effort put in.

If you are interested in guitar lessons, please fill in the form attached and return to the GIPS office.
