GRADE TWO
‘History Box’ Incursion

Wednesday, July 16th, 2014

Dear Grade Two Parents,

This week, the Grade Two children have begun the Inquiry topic ‘Technology: Now and Then’. In order for our investigation to get off to a flying start, we will be having a visit from the History Box team on Tuesday July 29th.

While at GIPS, the History Box educators will run a program that specifically focuses on technology throughout history. The incursion will help us to understand how technology has changed daily life throughout the centuries, decades and years, and give us some hands-on experiences with some forms of these.

In order to complete our set activities, all children will need to be in the multi-purpose room at 9:00am sharp. Children will need to assemble in their classroom by 8.50 am to allow time for the morning roll call and to be seated. This incursion will not affect eating times, and as such the normal recess and lunch routines will be in place on this day.

The cost of the excursion is $13.00.

Please complete the form below and return to school no later than Tuesday, July 22nd.

Regards,

Emma Black, Meagan Cofield and Alex Schifter
