

Jeans for Genes Day

Friday 11th of August 2017

Dear Parents,

On **Friday the 11th of August** Glen Iris Primary School will be taking part in **Jeans for Genes Day**. We are asking students to come to school wearing their favourite pair of jeans (with their school t-shirt/jumper) and to bring in a gold coin donation. The money we raise will be going to the Children's Medical Research Institute where scientists are working hard to discover treatments and cures for a range of childhood genetic diseases.

We are excited to be involved in this important fundraiser and look forward to seeing our school awash with denim on Friday!

If you would like more information, please visit <https://www.jeansforgenes.org.au>.
