

Wednesday 19th December, 2018

Dear Parents/Carers,

**END OF YEAR - SEMESTER TWO 2018
STUDENT REPORT**

Distribution of the Student Report

As for the Semester One Student Report, the Semester Two Student Report can now be accessed on line via the Compass Internet Portal. The report is filed within the Reports folder on each child's Compass Home Page.

The Student Report reflects what has been taught and assessed this semester as appropriate to each year level. A five point scale shows the student's level of attainment reached against the expected achievement standard of the Victorian Curriculum and where the student is on the learning continuum. The Semester Two Student Report also shows your child's progress in the areas of English and Mathematics, Physical Education and The Arts over the last 6 months, and any other curriculum areas that have been taught and assessed this semester. A final attainment level of the student's personal and social development against the expected curriculum standard can be found in the Integrated Studies section of the report. For more information on each year level's report, please read the Parent Information Section of your child's report.

Addenda to the Student Report

Please find enclosed your child's 'Student Learning Reflection' page of the report and the 'Phys. Ed. and Sport Participation' certificate for students in Years 3 to 6. At this stage, it has not been possible to distribute these sections of the reports digitally. Hence, these sections of the report are being sent home as 'hard copies'.

We strongly recommended that you save and backup a digital PDF copy of your child's/ren's reports. Alternatively, print a hard copy and attach the Student Learning Reflection and Phys. Ed and Sport Participation Certificate to give you the complete Student Report and file for future reference. Please note that once your child leaves the school you will not have access to the Compass portal.

If you have any queries or concerns about the Student Report, please don't hesitate to contact us or your child's teacher.

In addition, please find enclosed is your child's 2019 class list and teacher.

Yours sincerely,

Garry Collins
Principal

Barbara Maclarn
Assessment and Reporting Coordinator
