Life Education program

Dear Parents,

As part of our drug and health education this term, we are having the Life Education mobile learning centre visit our school from **Friday the 1st to Friday the 8th of September**. Life Education delivers health and drug education through a unique mobile learning centre environment and provides students with the opportunity to develop strategies and practice the skills required to lead a healthy life style.

Lessons are age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the visit. The sessions are always fun, interactive and extend and develop the children's understanding of the topics covered. We will be further broadening these topics in class both prior to and after the visit with the student workbook which is included in the cost of the visit.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile learning centres on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

Please complete the form below and return it to school no later than Friday the 25th of August.

Many thanks,
Mary-Anne Jansen

TO: GLEN IRIS PRIMARY SCHOOL
