Dear Parents and Students,

The students will be working on a whole school collaborative project to commemorate the 150th landmark of Glen Iris Primary School. We will be creating a large mosaic mural “looking through the windows at 150 years”. The students have sketched visual images of their ideas reflecting on what Glen Iris PS means to them personally.

The students will learn the basic techniques: cutting and gluing ceramic tiles, along with safe handling procedures. They will create their own mosaic picture as well as contributing to the large mural. This will involve making clay images as well as arranging cut tiles.

The total cost for the incursion is $15.00
Please return this form by Friday 5th June

Parents, if you would like to join in the activities please come and see me in the Art room.

Many thanks,

Michele Freeland-Small
