Dear Parents,

It is hard to believe Term 1 is almost over, although at 8 weeks it is a short term. Other terms throughout the year will be longer in length to compensate for this short term.

**Gr 5/6 Family iPad Night**

Yesterday evening, Wednesday, March 16th, I was very pleased to join twenty five Grade 5 and 6 families at our Family iPad Night facilitated by Apple Educator, Phill Cristofaro. Phill led the parent / child teams through a range of tasks using various features of the devices, shared his expertise and answered questions. The teams were engrossed in the task and I think our Gr 5/6 experts were able to teach parents a few new tricks. The tasks completed were typical classroom activities and were a good example of rigorous learning utilising the iPads.

**Parent Involvement – School Council Office Bearers and new members**

Last night, the first meeting of School Council took place where office bearers for 2016 were elected. I am pleased to advise that the following parents have agreed to fill these roles:

- **President:** Alex Goldhagen
- **Vice President:** Nick Kwan
- **Treasurer:** Lisa Waddell
- **Minute Secretary:** Carolyn Brumley

I am also pleased to announce that Craig Ots-Maher (Kieran Gr 3, Claire Gr 1) and Miranda Forehan (Chloe Gr 5, Phoebe Gr 3) have been co-opted to fill vacancies on the Council in line with Department of Education processes.

**Annual Report to the School Community 2015**

The Annual Report to the School Community is produced each year by all government schools to disseminate the school’s outcomes in the areas of Achievement, Engagement and Wellbeing throughout the previous year. The 2015 data for Glen Iris Primary School reflects high results in all areas. The school receives data that compares our student learning outcomes, student engagement levels and student wellbeing in comparison to other similar government and non-government schools. In every category, Glen Iris performed similarly to or higher than other similar schools. The final report will be presented to School Council on Wednesday, April 20th, after which time it will be provided to all families. A sample of the data is included below:

---

**2016 – A Year of Review**

As part of the Department of Education accountability processes, every four years each school undertakes a year of review. 2016 is a Review Year for Glen Iris. This process involves undertaking a self-evaluation of the school’s achievements in the past 4 years against the goals, targets and strategies set from 2013. The self-evaluation process involves input from parents, teachers and students. A review panel is formed to scrutinise the self-evaluation findings. The panel includes staff, a School Council representative, two principals from other schools, a DET representative and an external reviewer. The Self-Evaluation findings are presented and discussed at a Review Day where recommendations are made for future directions and goals for the school. These recommendations then form the next School Strategic Plan.

A Year of Review is quite a big undertaking for a school, but with strong teamwork and a forward thinking approach it is also a time of reflection and an opportunity to strive for even better opportunities for the children.

**Working Bees 2016**

School Councillor, Craig Ots-Maher, has agreed to convene the Buildings and Environment committee in 2016. This group co-ordinate working bees and support the maintenance and development of the schools facilities. The first working bee for the year is set for Saturday, April 30th from 12noon until 3pm,
so please mark this on your calendar if you plan to attend. A notice will be circulated next week listing all the working bee dates for 2016 and asking interested families to indicate their preferred working bee times.

**Veggie Garden vandalism**

Over the Long Weekend, there was another incident of vandalism damaging the veggie garden. The matter has been reported to DET Security Services and Camberwell Police. CCTV footage of people involved in the damage has been provided to the police.

**Education Week 2016 / Preps 2017**

Some special events are planned during Education Week (May 18 – May 22) to introduce our school to prospective families for 2017 and for our current families to celebrate their children’s learning. The key dates are:

- **Open Day**: Wed May 18th 9:30 – 10:30am and 2:00 – 3:00pm
- **Prep 2017 Information Night**: Mon May 23rd
- **Family Learning Night**: To be advised.

**The Resilience Project – Save The Date – Monday, May 9th**

In 2016, Glen Iris will offer The Resilience Project as part of our student wellbeing program from Prep – Grade 6. The program will incorporate sessions for staff, students and parents conducted by Hugh Van Cuylenberg on April 20th, and follow up activities in classrooms. The session for parents will be conducted on Monday, May 9th from 6:00pm – 8:30pm. This session will be an important evening for all parents and valuable for both school and family life. I urge all families to attend. The cost of the program is included in the excursion levy.

I wish everyone a happy Easter break. School resumes on Monday, April 11th.

Yours Sincerely

Meredith Carracher

**SUNSMART**

Dear Parents

As a Sunsmart school we would like to give some timely reminders regarding keeping our children safe from over exposure to the sun.

- Please ensure your child brings their GIPS broad brimmed hat daily.
- Please encourage your child to apply sunscreen before leaving home each morning.
- Please be aware that the provision of sunscreen is the responsibility of the parents and we encourage families to send sunscreen with their child to school if deemed necessary.

Sport and Physical Education sessions will be held in the morning whenever possible or provide shade relief for students during the afternoon.

All students are encouraged to bring a water bottle when attending outdoor activities.

Shelley Morrison

- Now FREE to enter
- See the notice sent home yesterday for more details
- Thanks Mrocki Family for organising.

*Ever wondered what happens to funds raised by the PA?*

- If you would like more information about **GIPS Fundraising** efforts, please follow the link to information provided under the Parents Association part of the GIPS website.

- School Council has prioritised 2 major projects for our current fundraising activities, these are:
  1. New playground equipment for the Grade 1 & 2 area and
  2. Development of the Learning space infill areas to improve co-operative learning across classrooms.
- As these are big ticket items it may take a while to achieve our goals but we hope to be able to provide more information on the status of these projects as the year progresses.

I can’t believe there’s only one week of Term 1 left!

Hope you all have a great Easter break.

Jane Lukins - Mum of Emily (5/6H) and Daniel (3TJ)

President GIPS PA 2016
Dear GIPS Community,

Project Library and Community Reading Program: Chance for $1000 in support!

PLEASE read this and vote now! - we need just a few seconds if your time - this is a very easy way for the time-poor to help the school!

Glen Iris Primary has been shortlisted for a $1000 grant to put towards our community reading program, engaging pre-schoolers in reading and strengthening the bond between the school and our community. The grant will enable the purchase of books, library furnishings and craft/activity materials which will be of benefit to both our community readers and GIPS students.

Now we need your help, because the winner is the project with the most votes.

We have won one of these grants before, and we can do it again with your help! It only takes a second to register (or log in if you've registered before) and cast your ten votes towards our project, which is listed in the “Progress Leader” section of the Leader Grants website.

Please also ask family and friends to support this initiative. By registering (just name and email address) they are also then a perfect position to apply for future grants!

To see our project and vote go to:

Make sure you choose Glen Iris Primary School Community Reading Program (you can go to current ideas, select Progress Leader as the newspaper, and then you will see our project.

Click on the arrow to cast all ten of your votes to the GIPS project (unless you are inclined to split your votes), and confirm your vote. It's that easy!

We hope that every family will find support from a further five individuals -please encourage work colleagues, family and friends to vote. Please forward this email to anyone who may be willing to support us.

Voting is open now and closes on Friday 1st April, so we have less than three weeks to do this!
Thanks for your support!

Carolyn Ryan on behalf of GIPS Parents' Association

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Mums and Dads! Do you want to volunteer in your community but are time poor? Casserole Club may just be perfect for you!

Casserole Club allows its volunteers to assist in their community using as minimal time possible whilst still creating a big impact from the work they do.

We match people in the Boroondara area who would like to share an extra portion of their home cooked meal with an older person in their neighbourhood who may not be able to cook for themselves regularly.

This is a great opportunity to assist in your community, meet new and interesting people and to show your children the value of volunteering.

To find out more information please go to www.casseroleclub.com.au or call Lana Barnett at the City of Boroondara on 03 92784777
Before and After School Supervision

Dear Parents

Just a reminder that children will be supervised in the yard from 8.45am and until 3.45pm.

Children should not be in the school ground without adult supervision outside these hours.

Please arrange with our Camp Australia program if you require assistance with child supervision at school.

Anaphylaxis Policy update

We are currently reviewing this policy. We remind parents that we are a nut-aware school but also have a number of students with food allergies. If you are bringing party food to celebrate your child’s birthday you will need to check with the class teacher about potential allergies before bringing the food to school.

Your guide to an orang-utan friendly Easter

Unsustainable palm oil production is sadly destroying orang-utan habitat. Palm oil is often not labelled – even if it is sustainably produced. Without mandatory labelling of oils on food products you cannot tell if your Easter chocolates are contributing to this crisis.

Sign the petition at www.zoo.org.au/palm oil to ask for clear labelling, and demand the right to choose products that do not drive wildlife extinction.

So what chocolate should I buy this Easter?

100% Certified Sustainable Palm Oil (CSPO) is produced in a way that helps protect the last remaining habitat for wildlife and preserves the livelihoods of producers. By buying from companies using either CSPO or sustainable alternatives to palm oil, you can enjoy some wildlife-friendly, guilt-free chocolates.

Check out our guide below to help make your Easter buying easy and orang-utan friendly!

These companies are using CSPO in their chocolates and they are labelling it too

- Coles
- Robern Menz

These companies are using CSPO in their chocolates

- The Chocolate Box
- Ferrero
  They are committed to labelling their products this year
- Lindt and Sprungli

These local chocolatiers do not use palm oil

They’re using sustainable alternatives and are all Australian made.

- Haigh’s Chocolates
- Pana Chocolate
- Yarra Valley Chocolaterie

Plus, check out the zoo online store at www.zoo.org.au/shop for other sustainable Easter gift ideas or why not spend Easter with friends and family at the zoo? Kids are free* and you can learn even more about how you can help save animals in the wild.

*Free admission for kids under 16 on weekends, Victorian Government school holidays (25 March - 10 April) and public holidays.
Back to School asthma spike

Every year there is a well-documented rise in asthma flare-ups and hospitalisations when students return to school after the Christmas break. Asthma Australia has information for parents of students with asthma to help them prepare for school. Asthma Australia’s website and social media provide the latest information, including a checklist of what to do to help your child and a survey to complete to determine the impacts for parents/carers.

Asthma Australia recommends that you talk to school staff about your child’s asthma and the school’s medication policy, provide an Asthma Plan from the doctor and supply a spare reliever puffer and spacer for your child’s use at school.

For primary aged students:

Asthma Kids

Looking for a way to help your child understand more about their asthma or about a friend with asthma? Asthma Kids is an online, interactive tool to help primary school aged children understand what it’s like to have asthma and what they can do to help. Watch one of the introductory videos then take Chester’s Asthma Trail. There are prizes to win too!

WORKING WITH CHILDREN CHECK

Just a reminder all volunteers who work in our school with our children must have current Working with Children Checks as indicated in the policy approved by School Council.

The policy and further information is located on our website.

We have had some situations of parents turning up without these checks and unfortunately being unable to partake in rostered classroom or playground activities, sporting events or excursions.

LEAVING THE SCHOOL DURING SCHOOL HOURS

If you need to take your child from a classroom during school hours:

- Please fill in the Leave Pass Book at the Office.
- Hand the white slip to the teacher when you collect your child

NUT AWARE SCHOOL

Just a quick reminder that Glen Iris Primary School is a Nut Aware School and, as such, it is important that parents do not allow their children to bring any product to school that contains nuts of any type. Naturally this includes peanut butter, Nutella, nut health bars and cakes/biscuits that contain nuts. Please inform class teachers of all the ingredients of any food sent to school to share on special occasions. We appreciate your diligence in this matter.

COMPASS SCHOOL MANAGER

JUST A REMINDER

You can now log your child’s absence online through Compass. This allows their teacher to be immediately aware of their absence and also saves the hassle of having to ring the office.

If you are having difficulties with the process there is a Parent Guide with easy to follow steps on our website under notices.

PARENTS/GUARDIANS

If during the day you need to advise the school of your child’s pickup arrangements, please ring the school office at all times.

Please do not send this information via email as we cannot guarantee this will always be seen by the office staff or teacher before the afternoon dismissal, and we want the children to be safe and accounted for at all times.

HEAD LICE

They’re back…

Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on human for 10 000 years. You may be reassured to know that they are commonly found in places other than Glen Iris Primary School.

Some of the reasons they have survived for as long as they have are:

- The six legs of a louse end in a claw, allowing them to grip the hair.
- They detect vibration and can hide - (conditioner will help fix this problem)
- Head lice can ‘hold’ their breath for 20 mins – looking like they are dead.
- The eggs are attached to the hair with a ‘glue’ like substance.
- Studies conducted on 45 different products to dissolve the ‘glue’ showed nothing would dissolve it.

The good news…

We know where they live and we know how to find them.

If you follow these steps, once a week, the control of head lice in your home will be greatly improved.

Step 1 Comb inexpensive hair conditioner on to dry, brushed (detangled) hair. This makes it difficult for lice to grip the hair or run around;
Step 2 Wipe the conditioner from the comb onto a paper towel or tissue;
Step 3 Look on the tissue and on the comb for lice and eggs;
Step 4 If lice or eggs are found, the child should be treated;
Step 5 If the child has been treated recently and only hatched eggs are found, you may not have to treat since the eggs could be from the old infection.

If your child has head lice – tell anyone who has had head to head contact with them and ask them to check their family for head lice.

SCHOOL PICKUP

Just a reminder to all parents when picking up children after school please do not park in the school car park.

The disabled car park is specifically reserved for those who need it and everyone else is asked to please park out in the surrounding streets.
