Fundraising:

2015 Results
The Parents’ Association contributed over $42,000 in additional funds to the school in 2015 thanks to the work of its members, the parents and wider school community.

The Trivia Night was the main social and fundraising event of the 2015 school year. The other major contributors to fundraising were the Cake and Produce Stalls, the Walkathon, the Mango Drive, the Mothers’ and Fathers’ Day Stalls, and Icy-pole Fridays, Special Lunches and Second-hand Uniform shop. The results of these events are consistent with past years’ results and the Parents’ Association will continue to support these in 2016.

Your Donations at Work
The Parents’ Association is proud to contribute to the funding of many special school projects. In the past few years these have included:
- Carpet replacement for 8 classrooms
- Apple TVs in every classroom
- Air conditioning for classrooms
- Environmental Sustainability program materials and equipment
- Toys for developmental play, Prep to Grade 2
- Sunscreen blinds for Room 15 classroom
- Replacement of Year 5/6 playground equipment
- Student bubblers at the sports oval
- Solar panels for the school
- New safety & security gates at school entrances
- Protective padding for poles in the covered area outside the library
- A new kiln for the Art Room
- Multi-purpose uniform tops for team sports
- Additional and updated library books
- ICT supplies, including new iPads
- Library furniture
- Interactive whiteboards for all classrooms
- Photocopier and printers for the library

Our Wish List
Our events and programs raise funds that are needed to supplement Departmental budget allocation for the school. School Council is responsible for prioritising and approving allocation of funds to specific projects and wish list items. Suggestions for addition of items to the wish list may be made by anyone in the school community by completing a form at the office, this will then be submitted to School Council for consideration. Our current wish list includes the following items:

<table>
<thead>
<tr>
<th>Item</th>
<th>Details</th>
