PROJEC10 PALOOZA

The Projec10 Palooza is a market afternoon where the Grade 5/6 students are working in teams to raise money to help educate students in Ghana. Each team has their own project stall. For more information about Projec10 check out: http://projec10.gofundraise.com.au/cms/about

The Grade 5/6 Projec10 Palooza will be held at Glen Iris Primary School on Friday 27th November from 2:30pm – 4:00pm.

Children and their families are invited to attend. Some students will attend the Palooza with their classes during school hours.

Some activities will require parent permission. A master list of the activities will be distributed early next week and will include a permission form.

Thanks,
The 5/6s
