

# Show and Tell

Dear Parents/Guardians,

As part of the Literacy program in Prep, we run daily Show and Tell sessions. This is a chance for students to bring along something from home to share with the class and practice their oral language skills.

We will be starting Show and Tell from **Monday 6<sup>th</sup> March**. Attached to this note is your child's day for their weekly Show and Tell presentation. Children should bring in their Show and Tell on this day every week.

In Term One, Show and Tell is free choice. Children may bring in any item from home to share. In Term Two we will introduce themes which relate to what we will be learning that week.

## *Recommendations*

- Rehearse your child's Show and Tell before the day of their presentation
- Choose two or three pieces of information to share
- Relate the item to a personal family experience e.g. going to the beach and finding a sea shell
- Choose items that are not precious/breakable

## *Examples of items*

- A sea shell
- A photo of someone special
- A favourite book
- A picture they have drawn

Please feel free to ask us any questions!

The Prep Team ☺
