*Caring*

- We always include everyone.
- We always remember we are all different.
- We are always friendly and kind to everyone.
- We look after our school by:
  - using play equipment in the right way

  - putting rubbish in the bins
  - protecting our plants
  - using water wisely.

- We take responsibility for our own learning.

**Resilience**

*Bouncing Back*

- When something goes wrong, we get over it quickly.
- We are always positive and enjoy what we do. We are proud of what we do. We laugh and smile.
- We are the boss of ourselves.
- We always include everyone.

**Honesty**

- We always tell the truth and are always fair and honest.
- We are responsible for our school and our personal property.
- We always do what we know is right and we follow the school rules.

**Respect**

- We treat students, teachers, parents and others the way we would like to be treated.
- We apologise when we are wrong.
- We listen to the opinions of others.
- We look after our belongings.
For the safety of ourselves, each other and property, we:

- look after our own and others’ belongings – keep valuables and precious items at home.

- leave electronic games, radios, iPods etc. at home. Mobile phones are discouraged. If considered necessary by parents, phones must remain in bags and turned off at all times.

- only use sports equipment with handles under teacher supervision (e.g. tennis racquets, cricket bats, skipping ropes etc.)

- play games without rough play (e.g. tackling, grabbing etc.)

- carry or walk with scooters and bikes whilst in the school yard. We leave skateboards and rollerblades at home.

- use plastic, not glass containers.

- only throw bean bags or balls.

- keep the pavilion as a quiet area.

- leave toy guns, toy weapons and dangerous toys at home.

- play away from the toilets, the front and back of the school or behind buildings.

- climb on play equipment, not on fencing or railings.

- stay seated while eating.

- use the internet and digital technologies responsibly and safely.
