	We're getting into the spirit of the Commonwealth Games with our own awesome sporting activities and events.	Today we'll pick up real musical instruments and work together to learn a song as a real rock 'n' roll band. Then we'll take to the stage to rock out in front of our mates.	We're heading out for a day of laughs as we take in Attack of the Plastic Time Monsters at La Mama Theatre, a child friendly show at Melbourne's International Comedy Festival.	Heat Kids activities are designed around the Firefighter's ethos of teamwork, camaraderie and hard work. Being kind, helpful and inclusive and never leaving your mates behind.
		Time to put our engineering skills to the test and build our own incredible marble run.	Time to roll up our sleeves and design your very own 58cm skateboard deck. These make an awesome decoration to hang in your room!	The only limit is our imagination as we create and bake our own keychains, bookmarks - anything we like!
